

RIVERS EDGE CATTLE COMPANY
& SPITTOON RANCH
4TH ANNUAL FALL BULL SALE

DECEMBER 10, 2019

30 Angus & 15 Sim Angus
Coming 2-Year-Old Virgin Bulls

1:00 PM (MST) - Gordon Livestock Auction - Gordon, NE

4TH ANNUAL BULL SALE

Rivers Edge Cattle Company is pleased to welcome you all to our 4th Annual Fall Bull Sale. We maintain 300 cows where only the top end is kept as bulls. With heavy selection pressure, we're able to improve the quality of bulls offered. This year is no different. We are proud of this set of long yearling bulls and appreciate your interest in our program.

We focus solely on raising quality cattle that produce efficiently on minimally harvested forage, starting with heifer development. Our heifers are developed to transition into hardy, range cows that don't need lots of pampering to survive. They graze as long as possible on corn stalks in the fall and winter, and typically only get fed hay shortly before calving begins. We don't mess with udder, disposition, or mothering issues. As labor becomes a larger issue in our industry, we feel that cattle that do more for themselves are more economically feasible.

We are proud to once again partner with Spitoon Ranch for our 4th Annual Fall Bull Sale. Our programs mirror each other in many ways, right down to the way we grow our bulls. We are pleased to bring a group of aged bulls that have been properly developed to ensure soundness, libido, and longevity. These bulls are selected with a strong emphasis on maternal traits and those traits that most matter to commercial cattlemen.

We are very excited about how these bulls have developed and continue to grow. Their development, under the guidance of Jeremy Martin of Great Plains Livestock Consulting, is aimed at developing the bulls to become efficient breeders. We manage them to gain 2.5#/hd/day through their entire development, with little to no starch in their diets. Our bulls ran on grass through Mid-October, then have been grown on a ration with minimal corn up to the sale date.

We appreciate our past customers and look forward to meeting new ones. We stand by our bulls 100% and have a full guarantee on them through the first breeding season. Consider

that these bulls will be able to cover more cows than yearling bulls, as well as having a chance to adapt to your ranch well before the breeding season. And, last but not least, remember that bull purchases qualify as a Section 179 tax deduction.

We are grateful to be in the cattle business and to have a chance to work with some of the best cattlemen and women in the world. Thank you for your support and we hope to see you December 10th.

Seth, Courtney, Oakley, and Landrey Terrell

708 SHELTON ST. • CHADRON, NE 69337 • 308-430-0705

WWW.RIVERSEDECATTLE.COM

Welcome again to the 2019 Rivers Edge and Spitoon Ranch Fall Bull Sale! We have an outstanding selection of bulls this year with performance and calving ease in mind for the commercial cattleman. We are very excited about the offering this year and feel that the bulls are very strong from start to finish.

We have consistent calving ease and performance after birth to produce high quality feeder cattle that will gain and grow, which is what we strive for. Along with producing a female that you can be proud to put back in your herd. As always, our cows must produce on grass in the summer, and hay in the winter, and be structurally sound with good disposition.

We look forward to seeing our past friends and meeting new ones. Thank you to friends and family for your continued support of our program. Come join us December 10 before the sale to view the bulls and have a great meal.

Thank you,

Matt Peters

TERMS AND CONDITIONS

All bulls sell under the Standard Terms and Conditions established by the American Angus Association.

GENETIC DEFECT GUARANTEE

None of the bulls in the Rivers Edge Cattle Co. and Spitoon Ranch offering will be carriers or potential carriers of Arthrogryposis Multiplex (Curly Calf), Neuropathic Hydrocephalus, or Fawn Calf (CA).

FERTILITY

All bulls will pass a breeding soundness exam prior to the sale.

STORM DATE

If inclement weather is a concern, please contact Matt, Seth, either web site, or Gordon Livestock for any changes.

SIGHT UNSEEN WARRANTY

If you are unable to attend our sale and wish to purchase a bull, please contact us. On sale day we will assign someone to evaluate your bull and represent your bid during the sale. Your bid will remain confidential and be handled professionally. If for any reason you don't like the bull, we will take him back. No questions asked, full refund.

DELIVERY OPTIONS

Option 1: Take your bull home the day of the sale or the Wednesday after the sale and receive \$200 off the purchase price of each bull.

Option 2: We will feed the bulls and deliver them to you (free up to 250 miles) beginning April 1.

Option 3: We will feed the bulls for you until you are ready for them. You will be billed for feed at a rate of \$2.00 per day, per bull after April 15. You will be responsible for picking up your bulls.

FIRST BREEDING SEASON GUARANTEE

All bulls selling for over \$3,000 are sold with a first year breeding season guarantee (90 days after turnout). If a bull is deemed unusable, the purchaser will be given credit for 50% of the price of the bull minus salvage value. All notices must take place prior to September 1, 2020. This is not a mortality insurance policy, nor does it cover mismanagement or neglect. We do not cover injuries sustained prior to breeding season if your bull is turned out with other bulls.
