

RIVERS EDGE CATTLE COMPANY

8TH ANNUAL FALL BULL SALE

DECEMBER 16, 2023

9 Angus & 27 SimAngus
Coming 2-Year-Old Virgin Bulls

1:00 PM (MST) - Dawes County Fairgrounds - Chadron, NE

8TH ANNUAL BULL SALE

Rivers Edge Cattle Company is pleased to welcome you all to our Eighth Annual Fall Bull Sale. 2023 brought relief from dry conditions, favorable prices, and a sense of optimism to the cattle business.

We are changing gears on our Fall Sale this year. Our past partner, Spittoon Ranch/ Matt Peters is moving to a spring sale so we are parting ways (on good terms) while continuing our December sale. We urge you all to continue to support Matt. We intend to assist him in any way we can.

We also made the decision to move the sale to the Dawes County Fairgrounds with the intention of making the sale more efficient and customer friendly. We are selling bulls in an unconventional format but feel that it is a very transparent and honest system.

We focus solely on raising quality cattle that produce efficiently on minimal harvested forage, starting with heifer development. Our heifers are developed to transition into hardy, range cows that don't need lots of pampering to survive. They graze as long as possible on corn stalks in the fall and winter, and typically only get fed hay shortly before calving begins. We don't mess with udder, disposition, or mothering issues. As labor becomes a larger issue in our industry, we feel that cattle that do more for themselves are more economically feasible. We raise cows that work for themselves, and bulls that will work for you.

These bulls were weaned last fall and toughed it out through one of the snowiest winters for the area. They came through in good shape. We were short on pasture this summer, so they were grown in a dry lot. They are grown on moderate gains to ensure longevity.

We appreciate our past customers and look forward to meeting new ones. We stand by our bulls 100% and have a full guarantee on them through the first breeding season. Consider that these bulls will be able to cover more cows than yearling bulls, as well as having a chance to adapt to your ranch well before the breeding season.

Please let us know I we can assist you in any way, including marketing your cattle.

Thank you for your support and we hope to see you December 16.

Seth, Courtney, Oakley, and Landrey Terrell

SALE INFO

RIVERS EDGE CATTLE CO. BULL SALE

December 16, 2023 • 1:00 PM MST

Dawes County Fairgrounds • Chadron, NE

DAWES COUNTY FAIRGROUNDS LOCATION

North Main St. in Chadron, NE. Turn north at stoplight at intersection of Hwy 20 and Main St. Turn east at Norfolk Ave and look for signs to sale building.

RIVERS EDGE BULLS LOCATION

Rivers Edge bulls can be viewed until December 14. 13 miles south of Hay Springs on Hwy 87. They are just off the highway at mile marker 31.

SALE REPRESENTATIVE

Seth Terrell - 308-430-0705

LIABILITY

All persons attending this sale do so at their own risk. Rivers Edge Cattle and Dawes County Fairgrounds (and all affiliated entities) assume no liability for personal injury, damage, or loss.

TERMS AND CONDITIONS

All bulls sell under the Standard Terms and Conditions established by the American Angus Association.

GENETIC DEFECT GUARANTEE

None of the bulls in the Rivers Edge Cattle Co. offering will be carriers or potential carriers of Arthrogryposis Multiplex (Curly Calf), Neuropathic Hydrocephalus, or Fawn Calf (CA).

FERTILITY

All bulls will pass a breeding soundness exam prior to the sale or will be announced on sale day with a full guarantee.

STORM DATE

If inclement weather is a concern, please contact Seth, or look for information on our web site and Facebook page.

ABSENTEE BIDDING

We will be able to accept bids before the sale or will have representatives available sale day to assist in relaying bids by phone.

DELIVERY OPTIONS

- 1: The bulls will be taken to RECC headquarters following the sale and delivered to buyers beginning March 15.
- 2: Buyers will be able to take bulls home the day of, or day following the sale for \$150/hd discount from purchase price. (Bulls that fail BSE exam will be exempt).

SEMEN INTEREST

RECC retains the right to ½ semen interest on all bulls.

FIRST BREEDING SEASON GUARANTEE

All bulls selling for over \$4,500 are sold with a first year breeding season guarantee (90 days after turnout). If a bull is deemed unusable, the purchaser will be given credit for 50% of the price of the bull minus salvage value. All notices must take place prior to September 1, 2024. This is not a mortality insurance policy, nor does it cover mismanagement or neglect. We do not cover injuries sustained prior to breeding season if your bull is turned out with other bulls.

AUCTION FORMAT

BOARD SALE OR "COWBOY AUCTION"

Each bull will be assigned a base price prior to the sale. There will be 3 different categories for good, better, and best. On sale day we will have a "marker board" with a space for each Lot. Buyers will write their number on the bulls they have an interest in at that base price anytime prior to the auction starting. We will start with the bulls in the highest price range first. The bull that has the most buyer numbers next to him will start the auction. The bull with the second most buyer numbers will be next and so on down the line. Once we have auctioned all of the bulls in the top price range we will move down to the mid price range bulls and then the lower priced bulls last. You are NOT committed to any or all of the bulls that you write your number on. The purpose of this exercise is to set the sale order for your benefit. By auctioning the bulls with the most buyer interest first it will give you more opportunities to buy another bull, rather than other sales where you may have to pass on several bulls you would have liked to buy before they get to the one you really want, just to have him bring too much and leave you with few options. The process is not perfect, but works for everyone most of the time. There will not be any loudspeakers or professional ringmen, it will be very transparent. It will be efficient and not take much time.

• 2018 High Selling Bull from Cow Camp Ranch, purchased by Stockman's Source, our friends, Chrismans and Martins. Powerful growth and muscle sire that remains clean made, tight sheathed and travels freely on ideal feet and legs. Proven maternal heritage that stacks some of the breeds best including the "Apple" cow and Cowboy Cut's mother. We are on our fourth calf crop of Stockmans. They perform exceptionally well in all facets. Muscle, eye appeal, growth. The females have been outstanding for us. They calve easily, good mothering instincts and udder quality. Fertility has been exceptional as well.
