& SPITTOON RANCH  
6<sup>TH</sup> ANNUAL FALL BULL SALE

*DECEMBER 14, 2021*

30 Angus & 22 Sim Angus  
Coming 2-Year-Old Virgin Bulls

1:00 PM (MST) - Gordon Livestock Auction - Gordon, NE

## 6<sup>TH</sup> ANNUAL BULL SALE

Rivers Edge Cattle Company is pleased to welcome you all to our 6th Annual Fall Bull Sale. 2021 has been a challenging year economically as well as dealing with drought. But there is reason for optimism as we look forward.

We focus solely on raising quality cattle that produce efficiently on minimal harvested forage, starting with heifer development. Our heifers are developed to transition into hardy, range cows that don't need lots of pampering to survive. They graze as long as possible on corn stalks in the fall and winter, and typically only get fed hay shortly before calving begins. We don't mess with udder, disposition, or mothering issues. As labor becomes a larger issue in our industry, we feel that cattle that do more for themselves are more economically feasible. We raise cows that work for themselves, and bulls that will work for you.

We again are proud to once again partner with Spitoon Ranch for our 6th Annual Fall Bull Sale. Our programs mirror each other in many ways, right down to the way we grow our bulls. We are pleased to bring a group of aged bulls that have been properly developed to ensure soundness, libido, and longevity. These bulls are selected with a strong emphasis on maternal traits and those traits that most matter to commercial cattlemen.

We appreciate our past customers and look forward to meeting new ones. We stand by our bulls 100% and have a full guarantee on them through the first breeding season. Consider that these bulls will be able to cover more cows than yearling bulls, as well as having a chance to adapt to your ranch well before the breeding season.

Please let us know if we can assist you in any way, including marketing your cattle.

Thank you for your support and we hope to see you December 14th.

Seth, Courtney, Oakley, and Landrey Terrell

Spitoon Ranch is pleased to welcome everyone to our 6th Annual Fall Bull Sale. This past year has been a challenge for everyone and I hope we all see a brighter future ahead.

First off, Seth and I are very pleased with the bulls we produced this year. We had a shortage of grass and chose to dry lot the bulls this summer. The bulls were never pushed and we were very pleased with their performance. Both Rivers Edge and Spitoon Ranch strive to produce offspring that will perform in the real world. Consistency toward the better end in your operation or ours is what it is all about.

As always the bulls can be viewed anytime 4 miles south of Clinton. I would like to thank Rivers Edge and my family for all the help and hard work they contribute to this program. I'm excited to see everyone December 14 at 1:00 in Gordon. Come early to view the bulls and have a meal on us.

Thank you,

Matt Peters
